Prices do not include 20% gratuity and 7% New Jersey Sales Tax. Adult price will be applied to all guests 11 years old or older. Children price will be applied to all guests from ages 2 to 10. A non refundable party deposit of 20% is required to book a party. #### Minimum Charge

The FINAL COUNT (i.e. final number of people estimated to attend the party) has to be set not later than 1 week before the date of the party. If customer does not provide a FINAL COUNT one week before the party is to take place, then the FINAL COUNT will be the average between the highest and lowest of the range set at the time the party was booked (for example, if the initial range of people was between 50 and 40, the FINAL COUNT will be set at 45). **On the date of the party the customer will be charged according to the number of people actually attending the party but never lower than the FINAL COUNT, or the minimum required per package or room.** To reserve our largest room (G) guest has to guarantee a minimum of 35 adults.
