

MARIO'S TERMS & CONDITIONS

Prices & Fees

All party package prices are per person. Prices include the use of a private room (if available) or dining room and Mario's standard linens (white tablecloth and white napkin). Prices do not include 20% SERVICE FEE and 6.625% New Jersey Sales Tax. Adult price will be applied to all guests 11 years old or older. Children price will be applied to all guests from ages 2 to 10. A non-refundable party deposit of 20% is required to book a party. Each entertainer (DJ, Clown, Caricaturist, etc) brought to the party will be counted as an adult guest attending the party, and charged as such. A 3.85% fee will be charged if paying with a Credit Card. A \$20 fee will be charged for special linen orders, or for bringing cake.

Children

With the exception of "Pizza Package", children (ages 2 to 10) can order finger food or pizza at not extra cost. Children ages 2 and under can order off Mario's Children menu and be charged separately.

Minimum Charge

The FINAL COUNT (i.e. final number of people estimated to attend the party) has to be set not later than 1 week before the date of the party. If customer does not provide a FINAL COUNT one week before the party is to take place, then the FINAL COUNT will be the average between the highest and lowest of the range set at the time the party was booked (for example, if the initial range of people was between 50 and 40, the FINAL COUNT will be set at 45). **On the date of the party the customer will be charged according to the number of people actually attending the party but never lower than the FINAL COUNT, or the minimum required per package or room.** To reserve our largest room (G) guest has to guarantee a minimum of 35 adults.

Party Time

Parties can be booked for a maximum time of 3 hours within Lunch hours (11:30 am to 4:30 pm) or Dinner hours (5:30 pm to closing). Parties booked in the afternoon hours must finish not later than 4:30 pm. Parties starting after 5:30pm must end by closing.
